

Dickish – John Dickey, Mike Pukish  
Immersion Composition Society – 1/10/2004

1) Dirty Bathroom Child  
Mama chauffeur ma Mango, Righteous  
Edgar Pinchot yo Tango Blindly  
Suffer new, your poodles... so many  
Even when they are short

(chorus)  
I can't find a coinless restroom  
As I search these streets so wild  
Maybe you can help me tonight  
My Dirty Bathroom Child

Tickle meekly my pink-beaked meat hook  
With your Winter-lust pablum doughnut  
Can you show me a better potato?  
You Bluster Hussy Cheat Pork!

2) Tokyo Meth Hobbit  
When I think about the Cornish game hens on the roof  
And the squishy fragments of time  
I get so wishful 'bout the people in my tooth  
And then I puke so steamy, sublime

I met a hobbit blowin' someone in a phone booth  
So I asked him what was the time  
He said, "Excuse me sir but I'm busy getting some juice  
But later let's do some lines

3) Baby I Want Some Latitude  
(come on mama, c'mon come on mama)  
I see Morton coming  
He's dancing with the weevil people  
I see Morton coming  
This will surely be his last time

4) Liver Snapper  
Once I was a princess frog hammer  
And then I became a liver snapper  
There was one fine day I went walking to the tune  
Of fifty or more little balloons!  
All the creatures came out  
And they danced with me, lividly!  
I killed them.

I smote them all in the pate!  
Not a one head was left unflattened!  
Ha ha ha ha

5) Fucking King of the World  
Fucking king of the world, etc  
I got my mojo workin..

6) Spy in a Satellite  
???  
"I don't want to assume control.  
I would have loved the days of old"  
???  
I am a spy in a satellite

7) Sieg Heil Manure  
Sieg Heil Manure..

8) Afro Shed  
I'm just so tired of your afro shed...

9) First Ape in Space  
You were the first ape in space  
You can't come back to this place,  
Cuz you're banished!

I saw your grandma last Tuesday  
She was asking about you  
But I cannot say  
Cuz you're banished!

I want to see you again  
Cuz you're my friend  
But you're the space ape!  
And you're banished!

10) Neon Irie Beef Rings  
(instrumental)
